Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Equity and Compassion in Medical Education Through Advanced Real-Time Simulations. The entity to receive funding for this project is New York Medical College located at is 40 Sunshine Cottage Road, Valhalla, NY 10595.

The funding would be used for expanding a specialized health care training facility to provide students and residents with patient encounters specifically engineered to teach and test their ability to recognize patients' issues that go deeper than the health problems they report.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
